

The ADAC HEMS Academy, a unique training centre for air rescue, aviation and acute medicine, is looking to fill the following position at the Sankt Augustin site immediately:

QHSE / Compliance Monitoring Manager (m/w/d) in full-time

Your tasks in our team:

- Overall responsibility for quality management
- Responsibility for health & safety at work as well as environmental protection
- Direct reporting to the management
- Ensuring compliance with the applicable EASA legal regulations
- Maintaining the internal compliance management system and the corresponding manuals
- Identifying process improvements and areas for optimisation
- Planning and conducting internal and external audits
- Organisation and implementation of compliance training
- Maintaining the qualification of our simulators - POC for the German aviation authority (Luftfahrt-Bundesamt) and international authorities (e.g. CAA UK, ANAC Brazil, ANAC Argentina)

Your profile:

- Completed university degree in the field of law or economics or similar.
- Training as a quality manager and auditor (m/f/d)
- Ideally professional experience in the field of aviation and management systems
- Excellent knowledge of German and English

ADAC HEMS Academy

- extraordinary commitment and organisational talent
- structured working style with a fun approach to solving complex tasks
- Customer- and service-oriented approach with high quality standards
- communicative and proactive personality

Your satisfaction is important to us - we focus on you as a person, which is why we offer you extensive benefits:

- Team-oriented working atmosphere in an exciting and international environment
- agility, flat hierarchy, mobile working, flexible working hours on a basis of trust
- an attractive package of social benefits
- company health management & job bike leasing
- a crisis-proof workplace

Please send your application by e-mail, stating your salary expectations and your earliest possible starting date, to
